Sacramento Man Arrested On Child Porn Charges

Serene Branson
Reporting

(CBS 13) SACRAMENTO A local man is under arrest tonight on child pornography charges. It appears the investigation started at Sacramento State University and expanded from there.

The former Sacramento State Student was reportedly accessing and viewing pornography in his dorm on the Sacramento State Campus.

Members of the Sacramento High-Tech Crimes Task Force along with several other agencies arrested 25-year-old Siquerio Mateo Olander Rios early Monday at his Fair Oaks apartment.

The arrest appears to be the result of an investigation dating back to 2005. Items seized from Rios' home include child porn from his computer as well as graphic depictions of bondage and torture.

Some samples from the computer were sent to the Center for Missing and Exploited Children. The center was able to confirm that at least 100 children seen in the confiscated pictures were in fact victims of sex crimes. Authorities are still trying to determine whether Rios was responsible for the manufacture of the material or whether he was just viewing the photos.
